What Residents are Saying

Cuong Q.

"We've been living at Broadway Place Apartments for almost four months and everything has been great! The maintenance service here is fast and excellent. Our garbage disposal and a light bulb in our apartment have some problems, so we reported it to the leasing office staff. In less than two hours,

everything was fixed and replaced. We appreciate the quick response and professional service. Highly recommend this place!!"

Volunteer Day at Youth Farm

This Earth Day, we're putting our values into action. Our team volunteered at the Youth Farm with Food for Lane County, planting organic produce to support local food security.
