What Residents are Saying

Jenny Ng.

"I moved out of Broadway Place Apartments about two months ago, and I can honestly say it's hard to find another place as ideal as Broadway. We lived here for about seven months and everything was wonderful, from the friendly helpful staff (special thanks to Simon for always being so attentive and kind) to the well-maintained facilities. The rooftop area was one of our favorite spots: quiet, beautiful, and filled with greenery, perfect for relaxing and recharging. If we ever return to Eugene, this would

be the first place we'd want to rent again. Our time living here was truly special and healing "
