Thanks For Joining Us Last Month

Cinco De Mayo

Tacos, elote, and good times. A huge thank you to everyone who came out to our Cinco de Mayo celebration at Broadway Place last month. We're so grateful for this community and for the residents who show up, meet neighbors, share a meal, and make these events so special alongside our amazing team.

What Residents are Saying

Jenny N.

"I moved out of Broadway Place Apartments about two months ago, and I can honestly say it's hard to find another place as ideal as Broadway. We lived here for about seven months and everything was wonderful, from the friendly

helpful staff (special thanks to Simon for always being so attentive and kind) to the well-maintained facilities. The rooftop area was one of our favorite spots: quiet, beautiful, and filled with greenery, perfect for relaxing and recharging. If we ever return to Eugene, this would be the first place we'd want to rent again. Our time living here was truly special and healing "

Live Well

Raising the Standard of Resident Experience

At [North Coast Living](#), investing in our people means investing in the resident experience. Last week, 25 North Coast leaders, including Regional and Senior Business Managers, gathered in San Diego for a two-day Train the Trainer program in partnership with Moran Consulting, a nationally recognized customer service and culture change firm. The training focused on the moments that matter most in apartment living, from leasing tours and renewals to maintenance follow-up and resident communication. These leaders are now bringing those tools and service standards back to their communities across the portfolio, helping create an even stronger resident experience company-wide. Broadway is proud to be part of a team that continues to prioritize growth, excellence, and meaningful community connection.
