Support The Digital Summer Food Drive

[North Coast Living's](#) annual Summer Digital Food Drive is here! Running from June 29-July 29, helping support local food banks across the communities we serve. At Broadway Place, donations will benefit Lane County providing critical resources to families throughout Eugene. Every dollar donated can provide nearly three pounds of food and allows food banks to purchase fresh essentials like milk, eggs, produce, and meat. To maximize the impact, North Coast Living will match all monetary donations, doubling our community's contribution. Join us in donating to support neighbors in need.
