## What Residents are Saying

### WW

"Broadway Place offers a wide variety of conveniences that encapsulate the unique experience of living in Eugene. The grounds are well maintained and offer a park place atmosphere inside while overlooking the heart of downtown. Perhaps the best part is the addition of many new staff (Kaelie & Simon, to name a few) specifically the maintenance team (Carlos and Rylan). They are high energy and seem to work very well together. They are always busy and available across the complex and appear to genuinely enjoy keeping the establishment at a high level of functionality and presentation."
